Automated Builder 1997 Editorial Feature Index

Following is an index of feature articles that appeared in the January through December 1997 editions of Automated Builder.

Key: The Roman numerals in parentheses before each item indicate the type of company covered in the article: (1) Production Builder, (II) Panelized Home Manufacturer, (III) HUD-Code Home Builder, (IV) Modular Home Manufacturer, (V) Component Manufacturer, (VI) Commercial Building (Special Unit) Manufacturer, and (VII) Dealer/ Builder. Some firms operate more than one type of business. In this index they are classified according to the article content.

Back issues and reprints of articles are available from Automated Builder while supplies last. If requested articles are more than six months old, copies are more easily obtained for a nominal charge from Automated Builder's microfilm service, Contact: University Microfilms, 300 N. Zeeb Rd., Ann Arbor MI 48106-1346, Telephone: (313) 761-4700.
